66 High St., Westerly, R. I.

REGISTERED PHARMACISTS.

TO PROPERTY OWNERS & PAINTERS!

WE ARE AGENTS FOR

WADSWORTH, MARTINEZ & LONGMAN'S

Pure Prepared Paints!

WHITE OR IN COLORS.

And we claim they are the Cheapest and Best Paints in America. And we don't make this assertion and leave it unsupported. Paint one-half of any surface, or one-half of any building with this paint, and the other half with strictly pure white lead and linseed oil, or any other mixed paint in this country, and if the part painted with this paint does not cost ten per cent. less for paint used, we will make no charge for our paint. And further, any building that has been painted with this paint that is not satisfactory to the owner, and not remaining so for a proper term of years, we will repaint at our expense with white lead and linseed oil, or any other paint he may select. As many of the prepared paints are adulterated with benzine or water, we make this liberal offer:

We Will Pay One Thousand Dollars

for any benzine or water found in any original package of Wadsworth, Martinez & Longman's Pure Prepared Paint.

Received the 1st Premium at R. I. State Fair, Sept. 26, 1883. We have sold over 3000 gallons within 3 years. E. H. BURDICK & CO.

As a business transaction would you be willing to pay one dollar for an article you could purchase for ninety cents? For their merit, durability and economy, we refer to the following who have used them:

DEA. ALVIN GREENE.
DR. A. N. LEWIS.

DR. JOHN E. WEEDEN.
ALFRED CLARK.

SOLOMON BARBER.

TO PARTIES USING PAINTS.

Some three years ago I used Paint put up by Wadsworth, Martinez & Longman, sold by E. H. BURDICK & CO., Westerly, R. I. This Paint I can recommend, as the same amount will spread over more surface, and that put on three years ago looks as well now as when first applied.

Yours truly ALVIN GREENE.

WESTERLY, Jan. 11, 1883.

We have used large quantities of Wadsworth, Martinez & Longman's Paint, and we consider it the best "Ready Mixed Paint" in the market, for economy, durability and permanency of color.

A Profitable Investment!

In 1865 a gentleman of this State, then aged 32 years, applied to the MUTUAL LIFE INSURANCE COMPANY, of New York for a \$10,000 endowment policy, payable at 50, or at death if prior. Premiums paid in 10 years:

He paid 10 annual premiums of \$783.40 each.....	\$7,834 00
Less 8 dividends drawn in cash.....	1,671 12

\$6,162 88

The policy matured Oct. 20, 1883, and the Company paid in settlement, \$13,350 77 the \$3,350.77 being for dividends unused.

This policy has furnished insurance for 18 years, and now returns \$216.62 for each \$100 of cost, being over 5 per cent. *compound* interest.

An investment that pays over 5 per cent. compound interest, without the loss of a moment of time for 18 years; that is exempt from taxes, expenses and care to the insured, and that furnishes insurance as a gratuity, ought to commend itself to every reasonable man.

THE
WESTERLY (Narragansett) WEEKLY,
ESTABLISHED 1858.

Issued every Tuesday evening, though dated the Thursday following, from

No. 60 MAIN STREET,

WESTERLY, R. I.

The WEEKLY believes that the daily and weekly press in this country surpasses every other known means in influencing public opinion, and in forming good or bad tastes among readers. While it tries, therefore, to give all the news, it also tries to keep out that which may tend to lower the standard of right or to lessen the ugliness of wrong. It is a local *news*-paper, not a local gossip-monger. People living in Southern Rhode Island and Eastern Connecticut will find no better paper from which to learn what is going on around them; and advertisers will find it the best medium through which to reach the party.

Clocks coming in, and Clocks going out at DENISON'S. Don't wait, but get you a CLOCK now, this is the appointed time, these are CLOCK DAYS.

'Tis said that "money makes the mare go!" rather let it be that money makes the clock go—from DENISON'S to your own home, where it will

Tick, tick, tick, merrily, merrily tick;
Point out the hours you keep,
While good folks lie asleep;
Tick, tick, tick, softly, softly tick;
The loud alarm's sound,
'Tis time to be around.
Get up! get up! get up! the morning breaks;
Let coffee's cheer, and broiling steaks,
Well flanked by luscious, smoking cakes,
Your fast now break,
Then straightway take
The nearest way to work of day;
"Business before pleasure." we always say;
The noon will bring
Its ting-a-ling-ling,

And those who labor must refresh, do you hear?
See now the tables loaded with good cheer;
The mother, maid or wife,
(God give them joy of life,
These meals prepare of homelike fare;
Then give them praise and ever care
That clocks they have to keep the time
Your absence lengthens, and in rhyme
We'll tell you where the same to buy;
Tis on this Street,—they call it High—
En route to Depot, which is nigh,
At No, 50, there's where you buy

The Most and Best Clock for the Money.
